

Photos and media

Over the course of the year there are many opportunities to take photos of each child as they play and interact with their friends and at special events the centre holds.

Some of these photos may be used in displays around the centre, placed on children's portfolios or used in the media. As part of this your child's photo may appear on their friend's portfolio and names may be used in the portfolios or around the centre.

The photos are also a way for staff to record and document each child's development.

When we use your child's photo in the media parents will be notified beforehand and asked to give signed permission.

Please read and sign this note and return by Friday 29th October 2010.

Please circle the appropriate words to reflect your approval, or otherwise to the following statements:
